7. A general order, however, was issued in Fy. In this case it was more an administrative necessity as a very large no. of officials was required for short periods & in many cases on their own pay together with an allowance.

8. Such a necessity is not apparent in the case on hand and as observed by the Revenue Commr, the cases not being many it is easy to take adequate orders in each individual case separately as it arises (in for reversion).

Reasons in favour of the changes proposed:

(a) An officer is sent on special duty or to Foreign service by order of superior authority. It is therefore not fair that his increments should be stopped during that period.

(b) If a general rule is not passed every case will be referred to Govt & long correspondence ensue.

(c) The British Indian C.S.R has been changed, probably for the foregoing reasons.

Cases of F.S. i.e. from Mysore & elsewhere are rare and I am agreeable to drop the portion relating to Foreign service; but I think it is better to pass the addenda & corrigenda as put up

NOTE—Contn. sheet.

Submitted to His Highness.

Under Note 1 to article 90, Mysore Service Regulations, 'an officer while temporarily employed on special duty outside his ordinary work, is debarred from counting his service on the temporary duty for increments in his permanent post' and under article 425, an officer holding a progressive appointment does not count his Foreign Service towards increments.

Enclosures to paper under disposal.

2. The Comptroller has accordingly disallowed the increments of certain officials of the Mysore Deput Commissioner's Office who have been temporarily transferred to the office of the Special Land Acquisition Officer, Cauvery Reservoir Works, and the Deputy Commissioner recommends that a general order may be passed allowing all his subordinates to count for increments the temporary service in the latter office.

3. The question has been considered in its gener aspects by the Financial Department and incidentally opportunity has been taken to revise the analogous provision contained in article 425, in the case of Foreign Service.

pp 5 & 7 of office notes

4. The Financial Secretary is of opinion that th articles of the Mysore Service Regulations referred to above should be altered so as to allow all officers detached on special temporary duty or transferred to Foreign service to count such period for increments in their substantive appointments for the reasons given below:-

(i) When an officer is sent on special duty or to Foreign service by the order of his superior authority, it is not fair

fair that his increment should be stopped during that period;

(ii) If a general rule is not passed, every case will come to Government and unnecessary correspondence will ensue; and

(iii) In British India the rules have been already changed probably for the foregoing reasons.

30 5. The Financial Secretary's suggestion is agreed to by the Members of Council. The draft corrections accordingly proposed to articles 90 and 425 of the Mysore Service Regulations may be graciously approved.

SIR,

I have the honor to forward herewith for the orders of Government copy of letter No.295 ~~of letter No.295~~ dated the 13th September 1915 together with its enclosures in original from the Deputy Commissioner Mysore District submitting the correspondence regarding the increments claimed by (1) T.V.Sesha Iyengar, gumasta Seringapatam Taluk Office and (2) Mr. Srinivasamurthi Judicial Head Munshi District Office Tumkur employed on special duty and recommending that a general rule may be framed that the services rendered by an official on special duty may when he holds a permanent appointment on a progressive pay in some other office be allowed to account for increments in the latter post. I am not in favor of a general rule as needful consideration can be easily obtained in individual cases of which there are not likely to be many.

I have the honor to be,

Sir,

Your most obedient servant,

Revenue Commissioner.

Letter No.295 dated 11th September 1915 from the Deputy Commissioner Mysore District to the Revenue Commissioner in Mysore, Bangalore.

In submitting herewith copies of letters Nos. 2801 and 2881 dated the 9th and 29th June 1915 respectively received from the Special Land Acquisition Officer Cauvery Reservoir Works in re the grant of increments due to (1) T.V.Sesha Iyengar 1st Class Gumasta Seringapatam Taluk and case worker of the Special Land Acquisition Office and (2) Mr. S. Srinivasa Murthy Judicial Head Munshi Tumkur District Office and Special Deputy Amildar attached to the Yedatore Taluk in connection with the Land Compensation Scheme of the Cauvery Reservoir Works, I have the honor to request that as recommended by the Special Land Acquisition Officer, general sanction of Government may kindly be obtained for counting the period of service in the Special Office towards increments in their permanent posts as these and several other officials holding substantive posts on progressive pay are temporarily employed on special duty outside their ordinary work referred to in the Note to Article 90, Mysore Service Regulations . A copy of the Comptroller's docket No.8646/T.A.D.II 1197 dated the 24th May 1915 on the subject is also filed with the records received with the above and forwarded herewith for favour of perusal and kind return when done with.

"With reference to your memo No. 13357 dated the 5th June 1915 forwarding copy of Comptroller's No. 8642/1197 dated the 17/24th May 1915 in the matter of increment due to case worker Seshiengar of my office, I have the honor to bring to your - kind notice that Article 90 of the Service Regulations refers to "Time under Suspension or Foreign Service". The words "Foreign Service" are defined in Article 17, as service in other than - Mysore Government such as Southern Mahratta Railway etc."

"I am of opinion that the words "Special Duty outside his ordinary work" occurring in note 1 to Article 90 refer to - Service rendered in such foreign service but does not affect service rendered in different departments under the Mysore - Government."

"In any case Seshiengar has lien on his original permanent appointment of Gumastha on Rs. 20-1-25 and has been transferred to this office under proper sanction. I think he should not be debarred from counting his service in this office towards incre-ments in the original appointment, as this will seriously affe affect his position in deciding questions of seniority."

"I therefore beg that you may be so kind as to move the Revenue Commissioner to refer the matter to Government for - orders with a view to secure to Seshiengar the two increments legitimately due to him had he continued in his original appoin-ment."

"I have called for a statement of other officials in the Department whose claims are similarly affected. The statement, on receipt, will be submitted with a separate communication."

He earned his first increment on the 11th May 1913 and the 2nd increment on the 11th may 1914 during his acting period as the enclosed increment bill clearly exhibits."

"As per Revenue Commissioner's Memo No..... dated the 19th February 1915 Mr. Sreenivasa Murthy has since been appointed as - permanent Judicial Head Munshi of the Tumkur District Office in the revision Scheme. He solicits that he may be kindly allowed the benefit of the increments earned by him while acting in the appointment in the Mysore District so that he may now claim the next higher increment."
